## Introducing our New Pictograph Label

We now have available a Pictograph label (Down flow only) for the SE Style valves. This label was developed as a Global label to avoid language barriers. The option is under labels/pictograph on the ordering guides and if ordering as a part the part number is 27793.

The label displays the following:

1. Backwash

2. Brine/Slow Rinse

3. Rapid Rinse

4. Brine Refill
