## New Drain O-Ring for the 9100 Control Valve

Effective immediately, the drain o-ring (p/n13303) of the 9100 will be replaced with a new o-ring (p/n41500). The new o-ring (p/n41500) is molded to the shape of the drain opening of the 9100. This new shape will insure a proper seal due to it will seat properly without the use of lubrication to hold it in place.
