July 2005

Upper Dispenser Included on 2850/2900s/3150 Valves

Effective July of 2005, the upper dispensers will be standard on all 2850, 2900s, and 3150 valves. The dispenser is already included in the 9500 small parts kits.

3150: (2" Dispenser): P/N 19608-20

2850/2900s/9500: (1.5" Dispenser): P/N 19608-15

The following options will appear on the ordering guides:

2850/2900s (Top Collector/Dispenser)

1 ½" STANDARD DISPERSER

NA SIDEMOUNT

3150 (Top Collector/Dispenser)

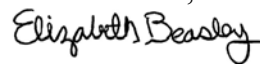

2" STANDARD DISPERSER

NA SIDEMOUNT

As always, thank you for using Fleck Controls.

Sincerely,
Pentair Water, Inc.
