

Cheap knock-off valves can cost you a bundle.

Saving a few bucks on inferior knock-off valves can end up costing you a lot more. Service calls for breakdowns and poor performance are great ways to lose customers... and word gets around!

Why risk your reputation on anything less than the proven reliability of a genuine Fleck® Valve? Pentair Water stands behind you with a 5-year warranty and superior customer service support. It all comes down to trust. Customers trust you to deliver your very best, and you can trust the valve that sets the industry standard for quality. You can take that to the bank!
